Recent Forgeries of British India Coins

By Amit Surana

Collectors beware! Forgeries of all popular rarities have flooded the market. Recent being the British Gold Mohurs and a few key dates in silver and copper. Forgers are trying all possible tricks to deceive collectors & numismatists. The best way to tackle this is create a personal database of these coins, compare pics, refer experts, avoid temptation to get rarities at throw away prices. The more you study and examine coins the better you get.

*1/4 Rupee of 1911:
Forgeries are marked in Red and Genuine Coins are marked in Green*

*1/2 Pice of 1938:
